Marc Randazza KING of Internet

Marc Randazza Attacks Free  
Speech Rights

# Marc Randazza - Marc J. Randazza - Marc Randazza Parody

Blog by ENEMY of Marc Randazza, Crystal Cox Blogger.

Marc Randazza is a self proclaimed **First Amendment Attorney**, and many believe Marc Randazza is an advocate of Free Speech. Marc Randazza has very good connections regarding who to pay, and how to play within the First Amendment Bar and the Free Speech Laws, but Marc Randazza is no Champion of the First Amendment.

Marc Randazza has done all he can to turn on the Free Speech Rights of a woman whom he wanted to represent in a major Free Speech Case and whom turned him down because he treated her badly.

I am that woman and since this time, nearly a year ago now, Marc Randazza has stolen domain names, filed protective orders, got entire blogs at wordpress and blogger deleted with no warning and has used his power and connections to attack my Free Speech Rights, and stomp on the First Amendment Rights of All.

Marc Randazza has threatened me, conspired to set me up with criminal charges, painted me in False Light, lied about me to Forbes, defamed me, incited a lynch mob against me, and all because Marc Randazza did not approve of a Domain Name I purchased and I rejected Marc J. Randazza of Randazza Legal Group as my Attorney.

I want to sue Marc Randazza for painting me in false light, for defamation, for lying to major media and therefore causing harm to my income potential, endangering my life, causing me duress and more. If you an attorney who is NOT afraid of Marc Randazza, please email me Crystal L Cox to represent me in a suing Marc Randazza, Randazza Legal Group.

**Marc Randazza, appears to me to have mafia ties and is VERY Dangerous.**

Marc Randazza is knowledgeable in First Amendment Laws and has many connections, affiliations and conflicts of interest. Marc Randazza uses this knowledge in order to get his clients and potential clients to bend to his will.

### Wa Wa Cry Baby Hypocrite Marc Randazza can't wait to hear the WIPO Decision regarding MarcRandazz.com

Thing is, it does not matter, either way Marc Randazza loses. Look at the cases that Marc Randazza, himself WON for clients over domain names. If this is a WIN for him personally, its a loss for his career. As it sets a contradictory record. And, anyway, I have lots of other sites. So why is this such a big deal for the dumb ass Marc Randazza who turned on his own client, then acted illegally then threw a very public hissy fit over a Domain Name. Even got NPR and Forbes to back his LIES and Hypocritical Rants..

Anyway here is the latest, as Marc Randazza begs for a Decision..

"Dear Mr. Randazza,

The Panel's decision in this case is not yet available for notification. As soon as it is available, we will ensure it is promptly notified to the parties and the registrar.

Sincerely,

Original Marc Randazza Post of this

<http://markrandazza.blogspot.com/2012/04/crystal-cox-vs-marc-randazza-attorney.html>

Marc Randazza, Celebrity First Amendment Attorney, has his Pants in a Wad over Crystal Cox Blogger (Not Porn Star) rejecting him as her Attorney, and Marc Randazza, is fighting back by conspiring with the Plaintiff in Obsidian V. Cox to set up Blogger Crystal Cox.

Marc Randazza ( Marc Randazza Corbin Fisher ) has not done his homework on Obsidian Finance Group, or Kevin Patrick to determine if there is a reason to investigate, or to believe that indeed Blogger Crystal Cox does have those Journalistic Standards or Ethics that Marc Randazza spoke of, and Questioned in our conversations.

We are not here because the domain name could cause confusion. We do not have a declaration from the president of the international association of imbeciles that his members are blankly staring at the Respondent's website wondering "where did all the race baiting content

go?" We are here because Mr. Randazza wants Respondent's blog shut down.

Marc Randazza wants Respondent's blog shut down because Respondent's blog expose the lack of knowledge in domain law and exposes Complainant for hypocritically defending Free Speech, yet attacking a Blogger writing about Complainant Marc Randazza.

Marc Randazza wants Respondent's blog shut down because Crystal Cox makes a poignant and accurate satirical critique of Mr. Randazza by parodying Randazza's very rhetorical style.

Randazza's skin is too thin to take the criticism, so he wants respondent's blog shut down.

Mr. Randazza should seek counsel to advise him that under the First Amendment to the
